RESPONSE TO ELECTION OF SPECIES REQUIREMENT

Sir:

In response to the Office Action dated, April 1, 2002, Applicants elect provisionally Species I (embodiment 1). Claims 1-5, 9-15 and 19-21 are readable thereon.

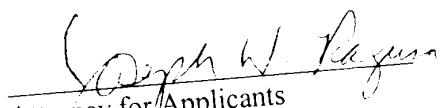

Applicants request, however, that all of the embodiments be examined together. In particular, the present invention, in each embodiment, includes a structure in which a peripheral wire is arranged along the periphery of a substrate. Accordingly, it would not be unduly burdensome to examine all of the embodiments at one time.

At the very least, embodiment 5, which is directed to a system of an X-ray

imaging system displaying a semiconductor device having the above-mentioned

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,

Attorney for Applicants
